Banning Held to Tie

Torrance Gridmen Battle Strong Opponents to Scoreless Finish

After several seasons of porching on the short end of the score, and letting the other teams of the league romp on their frames and feelings, the Torrance high grid warriors scored a technical win on Friday, Oct. 5, when they held the powerful Banning team to a 0 to 0 tie.

Enthusiasm mounted to a fever pitch when it became evident to the rooters that the local men were holding their opponents, and visions of a victory flashed through the minds of the fans, only to be dashed as the Banning men fought just as valiantly and quarter followed quarter with neither goal line crossed.

Under the direction of Coach Nylander, Torrance has already produced the making of a football team and its showing against Banning which last year defeated the local high school, indicates that Torrance will be a powerful contender for league honors, and at least will give all opponents a stiff battle.

The line-up: Torrance: Minlin, rel; Wolsch, rhl; E. Tavan, rgl; McKinley (c), c; Webber, lgr; J. Tavan, ltr; Reynolda, ler; Pennington, q; Harder, rhl; Stevenson, ltr; Bartlett, i. Banning: Stockman, rhl; Patton, rgl; Taylor, ltr; McLaren, ltr; Conway, ltr; White, ltr; Scott, ltr; Potter (c), rhl; Duran, ltr; Ahon, ltr; Fuetta, i.

Substitutions: For Torrance Bert Merrill, Gerald Clark, Toshaki Suminaga, Roy McReynolds. For Banning, H. Wingon, M. McCord. Officials: Wm. Haney, Holly Adams, Jack Berner. Torrance goes to Jacob Hills for its second league game on Oct. 12.

Bowling Teams Get Away to Good Start

Torrance bowling teams of the Mercantile League were winners in two out of three contests staged Monday night. Close scores marked all three games.

The Torrance Americans defeated the Peerless Spray aggregation in a hot game at Fullerton by a total score of 2430 to 2418. Fred Deitzel of the Torrance outfit was high man with a score of 109.

On the home allays, the Haynes Lumber Co. lost to Santa Ana Tea Co. by 55 points, the total being 2555 to 2500. Geo. Kabelitz ran up a total of 577, with Chas. Tansey of the Torrance Bakery second with 559 points for the evening.

The Torrance Bakery won from Charwood Typewriter Co. with a total of 2522 to 2489.

GAFFS BIG FISH
Neil Webb Sr., 1910 Plaza del Amo, with Eddie Bitters, caught a monster sword fish off the shore at Redondo on Thursday of last week. The fish measured 11 feet and weighed 250 pounds.

School "Fire" Thrills Local Students Mon.

Students at the Torrance High school were treated to all the thrills of a real fire Monday noon as they were listening to a lecture by a speaker from the Los Angeles Chamber of Commerce on the national fire losses as part of the National Fire Prevention Week program.

Over 525 teachers and students were assembled in the auditorium when the fire bells rang. The doors flew open, and the shrill shrieks of the fire truck sirens were plainly audible, increasing in volume as the racing trucks neared the school buildings.

In spite of the fact that none of the 525 students knew of the pre-arranged plans of the "fire," they marched quietly and orderly out of the building and it was entirely empty in a minute and fifteen seconds after the fire call was sounded.

The firemen also broke all records by reaching the school building in one minute after the call was received, and in another minute, they had a 50-foot ladder up and a string of hose over the wall.

Senator McKinley to Speak Here
Miss Hunter of Los Angeles will speak on the Home Beautiful at the Women's Club, Wednesday afternoon. Senator J. W. McKinley will also be present and outline the twenty-one amendments to appear on the November ballot.

Tough Luck Loses Game for Torrance

San Clemente Speedy Ball Tossers Trim Locals 3 to 2

An umpire's decision nosed out the strong Torrance nine Sunday afternoon when the San Clemente "Dons" sent the winning run in the 3-2 game over the plate in the ninth.

Ed Tansey's local hopefuls, true to predictions, found Frank Holborow's "Dons" hard to beat for with Smith on the mound they only managed to get five hits. Torrance, not to be outdone in this respect, uncovered Ferguson, the Seattle, Coast league pitcher and bade fair to make the game a pitcher's battle.

Ferguson started the home guards claim for honors in the third when he hit a home run to left that left no doubt that Torrance had their blood up since the "Dons" had tallied in the first on a scratch hit, and an overthrow peg to second.

Throughout the game both pitchers had spasms of whiffing the batters into the thin air. Smith acclaimed himself the victor with fifteen, while Ferguson accounted for eight.

Torrance took the lead in the seventh when Ducazau hit and "Goldie" Goldman brought him home but Claypool fled to Young, who threw home for what Umpire Quinn, Holborow's own selection declared Mr. Goldman out when in reality he was safe by "a mile."

This little error cost Torrance their fifth win after four consecutive victories. The "Dons" tied the count at 2-2 in the eighth when Fenwick and Young combined hits for a tally. The run that won the game resulted after Fox singled but was put out at second and McLain popped to Ferguson. Smith hit, and in the melee and scramble for the ball to serve to Fenwick, scored the winning run.

But for the questionable umpiring it seems certain the home boys would have tucked the game away in the seventh inning in the first place. The large crowd, by far the largest yet to witness a Torrance game went wild when the decision against their team was announced, but with genuine enthusiasm gave the "Dons" a hand after the game.

The boys are by no means disheartened by this defeat, what with Ferguson, "Lefty" Douglas, McGree, Morris and Messel on deck for hurling duty the nine ought to draw the old C. C. M. O. fans before long.

Baxter & Collins Service Designed to Save You Money

Fire service rendered by Baxter and Collins, at 1618 Cravens avenue, local Firestone dealers is designed to save you money and serve you better. Thousands of motorists have learned from experience that this service is responsible for many extra miles from each Firestone Tire.

In the first place, a Firestone service dealer uses Firestone equipment and the Firestone method of tire repairing. That is why it is possible to guarantee results from every job that is undertaken.

Firestone Tire Service includes: checking air pressure, aligning wheels, inspecting rims, inspecting tires and giving helpful advice. Every detail is handled by men thoroughly familiar with Firestone principles. They know they have a reputation for quality and dependability to uphold, and they take pride in doing the best work.

"Every car owner should avail himself of the opportunity that is offered to regularly check up on the condition of his tires. If he did this, he would not only save money on repair bills, but would get many extra miles of trouble-free service from his tires," said Mr. Baxter.

Art Exhibit at Elementary School Oct. 18

Public Invited to View Works of the Great Masters

There will be a display of paramount interest at the Torrance Elementary school next Thursday, October 18, an Art Exhibit. More than one hundred and fifty pictures will be shown, pictures that you want to see and should know something about, according to Prof. Bell. "You wish to keep up with your children in school. They are learning to recognize these pictures and to know something of the artist who painted them. In addition to your enjoyment in this collection you will assist us in raising a fund for the purchase of pictures for our school and they are badly needed," continued Mr. Bell.

The exhibit will be held in the Elementary School auditorium. The doors will be open to the public in the afternoon from three to five and in the evening from seven to nine. The small admission fee of twenty-five cents for adults and ten cents for children will be charged, the entire amount going to the school picture fund.

"This collection—reproductions of the World's Great Master Painters—has been loaned us for the purpose of raising a fund with which to purchase pictures for our schools," Mr. Bell explained.

Whiting Wins at Inglewood

Out of five entries, S. A. Whiting, 1719 Arlington avenue, was awarded two first prizes at the dahlla show held Oct. 4 and 5 at Inglewood. Mr. Whiting's specimens were a white dahlla, the Ellen, and a pink and white with silver sheen, the Frank. These dahllas are varieties produced exclusively by Mr. Whiting after three years of cultivating and are named for the Whiting children.

Mr. Whiting has been a prizewinner in each of three recent shows, the Torrance Flower show, held here last summer, the Gardena show which occurred the last week in September and the Inglewood show. In each one, Mr. Whiting met strong competition, which makes his continued success the more gratifying.

Donald Girard Santoro spent last week at San Diego. Hear Rev. Clarence E. Hedrick, lecturer, teacher and preacher at the First Baptist church of Torrance, 7-30 nightly, excepting Saturday—adv.
